

IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS
CENTRAL DIVISION

UNITED STATES OF AMERICA

PLAINTIFF

v.

No. 4:18-cr-506-DPM

DANNY ROBERT KUSKE
32250-009

DEFENDANT

ORDER

Kuske moves to reduce his sentence based on amendments to the Sentencing Guidelines. When he was sentenced, he received two criminal history points because he was on parole when he committed his new crime. He would only receive one point under the amended Guidelines. This change, however, does not affect his sentencing range. Kuske still has sixteen criminal history points, meaning he remains in criminal history category VI. His motion, *Doc. 56*, is therefore denied.

So Ordered.
